JONNY COSMO

Sensational Superficial Spectacle

*This superficial social media society,  
built upon the spectacle of comedy  
and tragedy means it's so hard to get  
ahead with integrity to be yourself  
rather than imaginary.*

---

JONNY COSMO

Aristotle

*I am what I am a designated man  
I will be what I repeatedly do  
You call me whatever you wish me to be  
But I am not what I am to you*

---

JONNY COSMO

AI Assisted Algorithm I

I don't fear on the watch itself  
I shall see it's no try, I want what goes in  
sand  
I know what is eternal in deep  
Fuck you  
You be it anyway, because mine, casually  
but I hate conversation.  
Have habit it is that holding truth  
At uni I might be stuck  
Then I just floodie flowers  
More funerals  
See being weak  
I write poetry

---

JONNY COSMO

AI Assisted Algorithm II

Hit a sad and relearn to walk. At one in  
weakness  
When in times home to eat and juicy  
pretty things  
I am a little bit sick of having no sense  
I may not be able to sleep  
And when I'm not I'll wake up and walk  
On the edge of the night  
Now my body is sick of it.  
And I think sometimes I'll have to put up  
with it  
I can't stay in the moment.  
I know how much I hate my body

---

JONNY COSMO  
AI Assisted Algorhythm III

I'm tired  
I'm just too tired.  
I'm tired.  
I'm so tired.  
I'm so tired.  
I know it's not going to work  
I don't want to get on my own

---

JONNY COSMO  
AI Assisted Algorhythm IV

I'm tired.I'm tired.I'm tired.I'm tired.I'm  
tired.I'm tired.I'm tired.
